

Class	Description
After Care	Learn, Create, Play! An engaging class fostering creativity, camaraderie and supportive learning. Expert instructors guide students through puzzles, coloring, reading and other age-appropriate activities. Enjoy fun-filled activities like board games and art to unwind and nurture well-rounded development. Join us for an enriching learning journey where trying new things and supportive creativity go hand-in-hand.
Amazing Athletes Basketball	We're excited to share the amazing basketball classes offered by our Amazing Athletes instructors! These classes are a perfect blend of high-energy drills, modified games, and friendly competition that help athletes hone their skills on the court. With a focus on fundamentals, the classes provide a great opportunity for athletes to improve their ball handling, shooting, passing, and overall movements and knowledge of the game. Whether you're a beginner or a more experienced player, there are opportunities for everyone to learn and grow as a basketball player. Join us for a fun and challenging experience that will take your game to the next level!
Amazing Athletes Sports Discovery	Looking for a fun and engaging way to explore different sports and develop your skills? Look no further than Amazing Athletes Sports Discovery! This class is perfect for kids who want to discover their inner athlete and fall in love with sports. With the opportunity to explore three different sports over the course of a season, you'll have plenty of chances to learn new skills and perfect your technique. Plus, with a game-like environment that encourages confidence and teamwork, you'll be sure to have a blast while you play! So what are you waiting for? Sign up for Amazing Athletes Sports Discovery today and see what you can achieve!
Arts & Crafts	This class allows children to explore the world through their senses. In our Arts & Crafts classes, children will discover new textures, shapes and colors that allow them to express themselves. They will be able to create Art by using different mediums and techniques. While having fun, they will also develop motor skills such as hand-eye coordination, grasp and muscle movements that will help them grow in their everyday life.
Circus	In Circus Arts, every troupe member will find their moment to shine as they take center ring! We will explore a wide variety of circus disciplines including juggling, tumbling, balancing, and so much more as we work together to build our skills. Participating in circus arts helps build strength, flexibility, and coordination while also developing communication, problem solving skills, self-confidence, and teamwork, and promoting healthy lifestyles. Of course in between all that, we'll find plenty of time to clown around!
Imaginative Dance	This Theatrical Dance Improvisation class is an introduction to performing arts and is designed to help students learn to creatively self-express through dance and theater. In this class students will explore the varied ways to use the whole body through floor-work, movements across the floor, character development, learning how to listen to music, and move the body freely. Exercises, such as partner improv, fun games, singing, use of creative props, and fun costumes will be performed. A great program for developing leadership skills, enhanced self-confidence, and cultivation of creativity. This is a bilingual program (Hebrew/ English). **Taught by teaching artist Shlomit Oren.
Imaginative Dance & Storytelling	This Theatrical Dance Improvisation class is a performing arts section for the Kevutzot students. Designed to help students learn to creatively express themselves through dance and theater, this class will explore the varied ways to use the whole body through floor-work, movements across the floor, character development, learning how to listen to music, and move the body freely. Exercises, such as partner improv, fun games, singing, use of creative props, and fun costumes will be performed. Students will get to create their own Imaginative stories and perform every class. A great program for developing leadership skills, enhanced self-confidence, and cultivation of creativity. This is a bilingual program (Hebrew/ English). **Taught by teaching artist Shlomit Oren.
Legos	Presenting a new and exciting challenge to ignite the creativity of young children, while exploring a real-world theme, students will have a blast discovering the fun of legos. Each child will improve their fine motor development, problem solving skills and channel their inner creativity. This is the class to sign up for if your student loves building and harnessing their imagination through legos.
Musical Theater	Students learn a variety of abridged musical theater songs and collaborate with their teacher to create simple choreography using selections from Broadway, Disney, and other sources to develop an appreciation of the genre. With an emphasis on song interpretation, physical expression, and musicality, this class is incredibly fun!
Soccer Stars	If you're looking for a fun, educational way to learn the fundamentals of soccer, Soccer Stars is the perfect program for you! We focus on teaching essential skills such as passing, dribbling, and shooting in a non-competitive environment that promotes positive reinforcement and confidence building. Each child is given the attention and support they need to improve at their own pace. Whether you're a beginner or have some experience, Soccer Stars is a great way to hone your skills and have fun at the same time. Don't delay - find out why this is the world's most beloved sport!
Yay for Clay	Get ready for hands-on fun with "Yay for Clay"! Not any ordinary art class, let your child unleash their creativity by molding, shaping and decorating clay with fun craft materials. From playful sculptures to unique pottery, it's a creative adventure they'll love. Students will be able to see their skills develop from week to week as their projects take on more detailed workmanship. Don't delay the fun with clay!
Yoga	We are excited to offer yoga and movement classes that are specifically tailored to your child's age range! Our classes will include a variety of fun and interactive activities, such as breathing exercises, yoga poses, games, stories, music, relaxation techniques, and meditation. Your little yogi will have the opportunity to practice and develop both their fine and gross motor skills, as well as their social and group skills. We believe in the importance of mindfulness and will be teaching your child some valuable breathing and calming tools that they can use in their everyday life. Let's start your child's yoga journey together!
